Emerging Leaders Council Poll

- The Emerging Leaders Council is hosting a session during the Civitas Annual Conference on Thursday, from 11:30- 1:00 PM, focusing on employee engagement and retention. One key topic will be the concept of tailoring total compensation packages to individual employee needs.
- We would love to hear from you about which employee benefits matter most to your staff. Please take a moment to select the top 5 traditional benefits and top 5 non-traditional benefits that are most important to your team.
- This information will be used to fuel our discussion!
