OPPORTUNITIES TO ENGAGE

FOR CIVITAS STRATEGIC BUSINESS AND TECHNOLOGY (SB&T) MEMBERS

More than a vendor – SB&T members are part of our thriving health care improvement ecosystem

Sponsor the Annual Conference	• All SB&T Members have had access to Silver Sponsorship as a benefit of their membership. This package, a \$12,000 value, includes: ◦ 1 exhibit booth in the exhibit hall ◦ Sponsorship recognition at the conference and in conference materials (available in person and virtually) ◦ Logo and link placement on the Civitas conference webpage ◦ Networking at all receptions and breaks ◦ Access to registration list ◦ 1 complimentary registration ◦ Ability to purchase sponsorship upgrades	
Deliver a Public Webinar on a Relevant Topic	• All SB&T Members can present to the network in partnership with another member. • Civitas will provide event registration via Cvent with webinar details, Cvent-hosted preparation meeting, day of event support, promotion to the membership or public distribution list, and follow up communication to registrants and attendees.	
Take Part in Year-Round Offerings and Engagement	• Network News: Civitas hosts a bi-monthly all-member meeting to share member highlights, introduce new members, and provide network updates. • Quarterly Public Policy Briefings: All members get tailored access to our government relations consultants' DC insider information through quarterly advocacy-focused briefings that highlight federal health policy insights impacting Civitas members. • Committees, Councils, and Workgroups: Our programs, workgroups, and events unite the health improvement and health data industry to tackle the most pressing challenges and opportunities in health care, human services, and public health. From technical guidance and policy navigation to leadership development and peer-learning forums, Civitas provides a comprehensive suite of resources to move our industry forward. • Member Area: The Civitas member area is a section of our website with exclusive resources, event recordings and materials, upcoming programming, toolkits, a member directory, and more.
